

### Year 6 Mathematics Poster Competition - Entry Form

Please read the following information carefully before completing this entrance form:

- Schools may enter more than one student or team of students (maximum of 4 students per team);
- A separate entry form must be completed per poster entry;
- All students entered must be in Year 6 in the 2022/23 academic year;
- Each entry requires a contact teacher whom Exeter Maths School will contact to announce the results or if we need to get in touch for any other reason;
- Completed posters and entrance forms must be returned by Monday, 26<sup>th</sup> June.
