

Developing A-Level Pedagogy

A collaborative Work Group, developing the use of technology to support students' conceptual understanding.

- Suitable for experienced teachers of A-level maths
- This year, the focus is on the mechanics component of A-level maths
- Consider approaches which support ALL pupils to reason mathematically
- Develop your pedagogic and content knowledge
- Six on-line workshops during the academic year 2026-27

Workshop dates (all 1315-1545):

Tuesday 8th December 2026

Thursday 14th January 2027

Tuesday 9th February 2027

Thursday 18th March 2027

Thursday 15th April 2027

Tuesday 8th June 2027

All workshops will be conducted on-line to avoid the need for travel. Make sure you have access to a suitable device (laptop or PC) with stable internet connection, sound, microphone and camera and in a location where you can engage without interruption or distraction.
