

Welcome to the latest update from Exeter Maths School. Well done to the Year 13s for the recent assessments, they come at a busy time of year, with university applications in full swing. We hope, however, that the feedback was useful at this stage and helps to focus students on what is needed to progress.

It was great to see Year 12 parents either in school or online week commencing 13<sup>th</sup> November for the parents' meetings and we look forward to seeing parents of Year 13 students for their meetings next week on Monday 4<sup>th</sup> or Friday 9<sup>th</sup> December.

### Year 12 - FOR INFORMATION – EMC Christmas Lectures – Monday 11<sup>th</sup> December

As advised in previous updates, the EMC Christmas Lectures will take place on Monday 11<sup>th</sup> December at the Northcott Theatre from 12.30pm and presentations will start promptly at 1.00pm. Year 12 students will be off timetable all day, going to the theatre in the morning for rehearsals. Year 13 students will attend the first two lessons of the day before joining the whole school to watch the presentations.

Students are responsible for booking their parents/family seats and a booking form is available on Teams for students to complete - <https://forms.office.com/e/swjBdeKXcA>. Students will be able to invite up to 2 guests and to avoid disruption to students, we ask that all guests stay for a whole session and not just their child's presentation (each session is approximately 1 hour 30 minutes long). EMC project posters will be on display for parents to view during the break. A running order for the presentations will be made available to students very soon.

### Year 13 – FOR INFORMATION – Parents Meetings
